

CALL FOR PAPERS – TRACK 9

Applied & Managerial Economics

#IRMBAM2023

WHO AND WHERE

We invite you to submit a paper for presentation in TRACK 9 **Applied & Managerial** at the 12th International Research Meeting in Business and Management that will take place on **July 6-8, 2023**, at IPAG Business School, Nice Campus (France).

Track chair: **Ted Loch-Temzelides**, Rice University, USA.

THE FOCUS

We encourage theoretical, experimental, as well as empirical submissions in any area of applied economics. Managerial economics is broadly defined to include aspects of managerial decision-making, R&D and technology adoption, and business analytics.

Potential topics include, but are not limited to:

- Market design
- Environmental, social, and corporate governance and sustainability
- Market power and imperfect competition
- Forecasting and decision-making under uncertainty
- Applications of operations research and machine learning in production management
- Regulation and government policy

SUBMISSION GUIDELINES

Authors are invited to submit their full papers in English* in PDF file, no later than **April 11, 2023**, by midnight Paris time, via the conference website; please choose Track 9 when you submit your paper:
